

Nelson Mandela High School

Mission | Education is the most powerful weapon which you can use to change the world

Highlights

- Newly opened in September 2016.
- Named after a Global Statesman who fought for freedom, justice and human rights.
- Our school offers students Success Time Monday-Thursday. This time is built within students' timetable to help them with enriched activities and extra support to be successful.
- Connect Time is offered to students once a week for the purpose of mentorship and wellness.
- State of the art technology and learning opportunities to enhance students' educational experiences and to give them technological edge to compete in today's global economy.
- Natural lighting and open space, which contributes to students and staff wellness.
- Our Learning Commons is an open and welcoming place for students to do collaborative work and research with access to the most updated technology.
- Flex Areas have been purposefully organized in different Learning Communities throughout the school to create a space for collaborative work and learning support.
- Teacher Collaborative Areas have also been organized throughout the school to allow for cross-curricular planning and meetings.
- Grade 10 students are in full year, non-semestered core classes.

ELL Support

Our school offers ELL students the opportunity to reach their highest potential in a supported learning environment. ELL sheltered classes in English, Social Studies, Science and Math are a great way for students to begin their studies in high school.

International Student Support

Our School has an International Student Co-ordinator on staff who provides academic and personal support as needed. Other school staff such as guidance counsellors are also available to provide support.

Intake Dates

Students can enroll in September or January for a full year or a semester.
